Debra:

BEAD is in the final stages of the memo. We would like to cross reference the benefits statements in both the decision doc and our memo. There are no major changes! I checked the link that you sent last week and I see that it is still down. Please advise at your earliest convenience.

Respectfully,
Rebeccah

Subject: Aldicarb - Decision Document - Locked for sharing

Hi Team,

We will be "unsharing" the draft decision memo to allow us to work through the comments. We will be following up with the team as needed if we have any questions or need assistance in responding to any of the comments or directives.

Please let us know if you have questions or have any comments that have not been captured yet.

Thanks,
Debra
