OK, this works for me, Monisha! Sounds like the right level of effort.

Great job on the aldicarb work and presentations this afternoon, Rebeccah and Lindsey. Thank you!

For the Alex briefing on Tuesday, we probably need to streamline the messaging to some high level key points for each of your slides to save time (Alex asks a lot of questions, and typically doesn't dig into how we get our numbers). Monisha and Hope, what do you think?

It doesn't sound like we're going to be asked to do any additional refinement at this point (which is good).
