Hi Andrew—we scheduled this to go over our comments with Dan O before our meeting with Chris. Becky thought it would be good to include you and I apologize for not considering that initially. I know you have the MMF so if you cannot attend, I'd be happy to give you an update later today.

Dan – We would like to talk over the water/404 comments on the Pebble FEIS with you prior to the RA briefing in the afternoon.

This meeting was requested by Cami as an informal opportunity for us to describe to Dan the points we definitely want his support to be maintained in the FEIS comment letter.

During our call, we will do a round robin and I would like to all to please highlight:

- The most important "Aquatic Resource" comments that are in the FEIS comment letter.
