Subject: My review and suggestions for the PFEIS comment table

Molly,
Thank you to you and Patty for compiling all of the technical team's comments on the PFEIS. I have reviewed each comment and made edits throughout the comment table. I have saved the edits to the OneDrive file that you shared with me on 3/6/20 -- I didn't change the title of your file. I am attaching it here as an Excel table so that Andrew and Patty can also see my suggested edits. I am looking forward to finalizing the table with you this week.

Thanks again,
Jill
