Subject: URGENT: PFAS Updated Needed COB Today for RA (state of Ohio only)

Hi everyone,

The front office needs an update on significant PFAS issues in Ohio.

Syed and Jenny: In December, you provided summary updates for Wright-Patterson AFB and Chemours. Are these write-ups good-to-go or are updates needed?

Mirtha – as discussed, you said you would talk to your managers on whether they felt it's appropriate to submit a write-up for Elyria or Marine. Again, no worries about the format. I understand that the RA only needs a summary to use for talking points. Also, I would suggest clearly marking any confidential information that should not be discussed outside the Agency. Lastly, I'm trying to get verification on the due date. We might have more time beyond COB today. Will let you know when I get more info.

Thanks everyone!
-Kim
