Subject: Revised DuPont Briefing Paper

The attached revised draft includes language from LCD and extensive comments from Lori Kier in ORC to the WPD info.

I've also included the Site specific CERCLA and RCRA info in the attached spread-sheet. Please note that there are TWO sheets in the file – one for HSCD info and one for LCD.

I am off tomorrow, but if people could get comments to me by 11:00am on Monday, I will send a final version for review and we can get it up to Shawn by COB Monday, as required. Please share as appropriate.

Thanks!

Carlyn
