Task Force Voting & Advisory Members, as follow-up to the dialogue during this morning's phone meeting, please see this message from Jerry White & Riverkeeper:

Chris,

Today, my staff and I spoke with Ben Floyd the Project manager and CFP for White Bluffs Contracting concerning the section inside of the proposal where they raise the issue of potential conflicts of interest on the part of a sub-contractor, Anchor QEA. We ask him to discuss the nature of the work that Anchor QEA did for both Kaiser Aluminum and Avista as well as define the role that Anchor QEA would play with "executive coordination and program management responsibilities". We also asked about the concrete details for a firewall so that the process would remain neutral. Without going into details, we were satisfied that Ben Floyd understands the issues and has a good handle on how to avoid any conflict of interests inside the SRRTTF process.

We support bringing them forward for an interview and would not endorse disqualifying them on the basis of any conflicting interest(s). We are ready to evaluate them and understand that they, alongside others, are a viable candidate for this role as facilitator of the SRRTTF.

Thanks,

Jerry White, Jr

Task Force Voting and Advisory Members, for next week's conference call decision meeting, please see the attached for a summary of the RFQ Workgroup's process along with (on page 2) tables with numeric rankings of different aspects of the seven proposals, and (at the bottom of page 1) the short list of two contractors that Workgroup recommends the Task Force invite to its June 27th meeting as finalists. Reference checks produced no deal-breakers, and served to confirm the short list.

Below is a rough agenda (while the time initially reserved was an hour, the current hope is for the conversation to reach a decision within an hour). Please recognize that each workgroup member spent hours reading through the proposals, and their findings and recommendation come only after a great deal of work and thought.

Talk to you then.

Subject: SRRTTF "roster members" DECISION meeting by phone Wed. June 13, 10am-12noon

Dear Task Force Voting and Advisory (Signatory & Letter of Support) Roster Members:

The RFQ work group today held a deep and thorough conversation analyzing and exploring the facets of proposals and teams to select a short list from among seven bidders: Enviroissues, George Schneider & Associates, Hart Crowser, The Langdon Group, Ross Strategic, Strategic Earth Consulting, White Bluffs Consulting. As agreed at its May meeting, the Task Force roster members (voting and Advisory/MOA + Advisory/Letter of Support participants listed here) will hold a DECISION meeting by phone on June 13th to confirm or adjust the short list of candidates to invite for in-person presentations and Q&A at the regular Task Force meeting on June 27th.

A week from today, on June 13th, from 10am-12noon, Bud Leber will walk the Task Force through the process the work group used and the considerations involved. Task Force roster members will receive a separate email this week with the short list and a summary of the work group's thinking, once references have been checked (to allow for finalizing the short list).

Call-in information: [Ex. 6 Personal Privacy (PP)], meeting ID [Ex. 6 Personal Privacy (PP)]#. Meeting web page for proposals and blank ranking sheet at http://srrttf.org/?p=9367.

Looking forward,
-Chris Page, Senior Project & Development Lead
