Doug, FYI on the letter you wrote that the Task Force will consider adopting/sending at its meeting next week, see below.

Subject: Additional recipients for the road paint letter

Doug (cc Lucy, Misha and Chris):

I'm glad to see that Idaho utilities were included on the letter about adoption of alternatives to PCB-containing road striping paints.
http://srrttf.org/wp-content/uploads/2018/04/SRRTTF-Letter-to-WA-Governmental-Organizations-regarding-Road-Paint_Final-Draft_042618-1.docx

However, it seems to me that this letter should be sent to all of the utilities in the Spokane River watershed in Idaho that have municipal separate storm sewer (MS4) permits. This does include the City of Coeur d'Alene, the City of Post Falls and the Lakes Highway District, to whom the letter is already addressed. The City of Hayden does not have an MS4 permit, but I think it's fine to send the letter to the City.

I suggest you also include the Post Falls Highway District and the Idaho Transportation Department, District 1. Here are their MS4 permits for your reference:
https://www.epa.gov/npdes-permits/npdes-stormwater-permit-post-falls-highway-district-ms4s-idaho
https://www.epa.gov/npdes-permits/npdes-stormwater-permit-idaho-transportation-department-district-1-ms4s

Contact information for the Post Falls Highway District is available here:
http://www.postfallshd.com/about.html
http://www.postfallshd.com/contact.html

Contact information for the Idaho Transportation Department, District 1 is available here:
https://itd.idaho.gov/d1/

Thank you,

Brian Nickel, E.I.T.
