Good morning.

I went into CMS and unfortunately there is no attachment to this CMS. Can you please upload?

Thank you,

Control R7-20-000-6185-RA has been assigned to your office on 7/28/20 8:26 AM by David Hunter. Please go to the CMS webpage to view the details of the control.

Summary Information -
Control Number: R7-20-000-6185-RA
Control Subject: Concerning the processing of unused treated seed corn. The Nebraska's Department of Environment and Energy (NDEE) and Department of Agriculture (NDA) have both been dealing with a facility in Nebraska that has been processing treated seed corn into ethanol. The use, storage and disposal of the resulting distillers grain, also referred to as wet cake, has been a problematic issue and potential environmental concern. The company's intent was to apply the wet cake as a soil conditioner and was permitted as
