Hi Hwa,

Since I am no longer an EPA employee and I do not have the amount of time needed to devote to this EPA task, can you please take the two documents attached and create a summary of the changes for Ron? Feel free to contact me with any questions.

Thanks,
Johnsie

Given the number of comments, I had asked for an itemized list of changes. I do not see that?

Good morning,

I have received comments from both OPPT and OW on ORD-032261 Lang et al. There were no policy concerns, but several "sensitivities" were addressed.

Please consider all of the above and revise the manuscript accordingly. Once a revision is ready, please return both the revised manuscript and fact sheet to me. I will upload that version of the manuscript into the STICS record and if I feel you have adequately addressed all of the comments, I will clear the manuscript for journal submission.
