Dear Kim,

I am the Regional Administrator for Region 9 of the EPA. And, like you, am a former county supervisor. (I served on the Santa Barbara board from 1986-1994.) Kevin Ryan who works in the R9 Office of Water mentioned you to me. I would welcome getting together to discuss how USDA and EPA could potentially work collaboratively on new projects. I am in the San Francisco office a couple days twice a month or we could perhaps set something up at your office next time I am in the Sacramento area.

Best regards,
Michael Stoker
