Thanks, Tanya. I made your edit (see attached) and responded to some edits from Sonia (attached email) this morning—in particular please note that the icon for the SNUR has changed—let me know if you are okay with us moving this version forward to OPPT IO to review.

Best,
Eva

Thanks, Eva. This looks really good. I have one minor clarifying edit to suggest. See attachment. Additionally, I was originally a bit concerned about the circle graphic and that it may have depicted too large a section for the SNUR, but it looking at it again (and after listening to the pushback from managers in this morning's meeting), I'm fine with leaving the circle graphic as is. Let me know if there are any concerns.

Tanya

Hi Tanya,

Please see attached the draft asbestos infographic and text for your review (both Erik and Julie have looked at it). We're trying to complete NPCD review relatively quickly to get it to OPPT IO, since I will be out from Wednesday next week and unable to make edits.

Thanks!
Eva

Hi Erik and Julie,

Please see attached the draft version of the asbestos infographic and text for your review before moving on to Tom/Brian/Tanya. Sonia is going to give Alex a heads up that the infographic is coming, but we decided to start NPCD review now, in order to get her a final version as quickly as possible.

Thanks!
