Subject: TSCA Section 21 petition comments

Hi Tyler,

Based on Friday, November 9th's briefing with OCSPP leadership, we understand Ex. 7(A) Ex. 7(A) The petition request among other things that EPA promptly initiate rulemaking under section 8(a) of TSCA to amend CDR with regard to asbestos. OECA's representatives on the workgroup provide the following comments:

1. Ex. 7(A)

2. Ex. 7(A)

3. Ex. 7(A)

Thank you for your attention and the ability to engage on the workgroup.

Jess, Mark and Geraldine
