Subject: URGENT: Media request regarding proposed biostimulant rule

Hello all,

Adam from Bloomberg here. I see that OMB has signed off on proposed rules for "Guidance for Plant Biostimulant Products: Label Claims Excluded or Regulated under FIFRA as Plant Regulator Claims."

Would it be possible to get a bit more information about this? Is the text of the proposal available? Can you give me a few more clues about what label claims will be excluded and which will fall under FIFRA.

I'm trying to get a story up by 12:00 if possible.

Many thanks,
Adam
