NYSDEC Changes End Date for Public Comment Period About Proposed Amended Remedy to Address Navy Grumman Groundwater Plume (Bethpage)

On May 23, 2019, NYSDEC announced the release of the Proposed Amended Record of Decision (AROD) to address the groundwater plume originating from the **U.S. Navy and Northrop Grumman Bethpage Facility site** located in the Hamlet of Bethpage, Nassau County, NY.

The AROD was released for public review and started a 45-day comment period from May 23, 2019 to July 7, 2019. **With July 7, 2019 being a Sunday, the NYSDEC will be accepting comments through the close of business on Monday, July 8, 2019.**

As a reminder, the AROD can be reviewed online here.
