Subject: Re: Allenco Agency Call

Hi all,

Checking in to see if there will be a call today.

I don't have updates but did want to ask everyone about Hugo's request regarding chemical lists. I'm happy to hear from folks over email, or on a call.

Thanks,

Mandi

> All, since we have not all dialed in for these consistently. I recommend that we hold the time available so that if we need a call we can all have one. Essentially, if anyone needs a call, then email the group and we will all hop on. However, if there is no email requesting a call, then we need not have one.
