Let me know if you come across any of the listed names during your investigation. Also see attached contracts provided by the former plant manager for SoloPower who was retained by Hudson in 2017 and again by SoloPower in 2018. I'm also attaching email that explains a little more detail on the final events before they folded. Unfortunately claims never received a final signed copy from Hudson and the company folded in June 2018. Good luck and let me know if you need anything else from me. Ex. 6 PP / Ex. 7(C)

10ish it is. May see you at the meeting - trials are a capricious set of creatures.
