David – Steve was out yesterday – I'm sorry about the delay in getting to you – but it sounds like there may be some additional tweaks after the call today.

Fran,

Sorry these comments are late.

Can I add them to the version in our weekly teams meeting now, or is it too late?

Subject: Draft Letter to Dr. Brown

Dear Colleagues,

ARD has prepared a draft letter to Dr. Brown highlighting the Regions air monitoring in LaPlace, LA. At a high level, the letter summaries the current status and path forward. For easy access to all pls refer to the TEAMs Air Monitoring site. We welcome your input as we have left 'track changes' on. If possible, please include your input by COB today. We are targeting a RA signature this week.

David F. Garcia, P.E.
Director
Air and Radiation Division
