I've also asked for ORC assistance, but have not heard back from Everett on who from his staff can help us with this. Please let me know if you have any questions. Thanks, Kerri

Hi Carl and Monica,

Staff wanted to provide you both an update on efforts to review the Northern Wasatch Front ozone NAA's 179B(b) demonstration received on May 28, 2021, and our work for the area's proposed attainment designation/classification in the national Determination of Attainment by the Attainment Date (DAAD) action. R8 has continued to have near weekly discussions with OAQPS on next steps related to the state's demonstration. Ex. 5 Deliberative Process (DP)

We (R8 staff) are also working on a 1-pager for if/when we are asked to brief this issue in R8.

Thanks for your attention and please let me know if you have any questions or if you would like a meeting to discuss our concerns further.
