Attachments: 17-04-17-AAR-Notice-of-Proposed-Rulemaking.pdf

Dear Interested Stakeholder,

You are receiving this e-mail because you have expressed interest in notification for the Pima County Department of Environmental Quality (PDEQ) regulatory process (i.e. rulemaking).

PDEQ is proposing revisions to Pima County Code (PCC) Title 17. The intention of the rulemaking is to organize Title 17 in a more coherent manner by separating Class I (major source) rules and Class II and III (minor source) rules. This proposal is in response to PDEQ's necessity to update the State Implementation Plan and Title V (part 70) program. The proposed separation of major and minor source rules will simplify the submittal process for PDEQ and more importantly provide a more comprehensible set of rules to stakeholders and the public. Attached to this email you will find the Notice of Proposed Rulemaking that is set to be published in the Arizona Administrative Register today, Friday, May 12, 2017.

A public hearing before the Pima County Board of Supervisors is currently scheduled for:

Date: Tuesday, July 11, 2017
Time: 9:00 A.M. (or after)
Location: Board Hearing Room
130 W. Congress, 1st floor
Tucson, Arizona 85701

Comments pertaining to the Notice of Proposed Rulemaking may be submitted at the above noticed public hearing, in writing to PDEQ (Attn: Sarah Reitmeyer, 33 N Stone Ave Suite 700, Tucson, AZ 85701), via e-mail, or via the online Public Comment form located on the PDEQ website.
