Good morning Tom, please take a look at the document entitled talking points for this morning and provide me an update on the first three items. I know the weekly goes in on Wednesday and then things happened on Thursday and Friday. Also on Turkey point I'd like to know what we plan to do. I will read through the huddle papers and maybe the information is in there, but if you could add it in a highlight and send it back to me that would be awesome. I'm going to be going to the 9 o'clock.

Becky B. Allenbach, Deputy Director
Water Division - EPA Region 4
