Hi Kathy,
Here are my edits. I had several questions/comments on the issue slides and questions being posed. An overarching comment is that to answer these questions requires a level of knowledge about the FACA report and the regulations. I recommend that you talk through the issues before posing the questions and add any other helpful text recognizing that people will be reading this.

Thanks and good luck!
Mindy

Hi,

Attached is a draft PPT that we can use for consultation. I can delete the slide on "other issues" and I know a few slides are dense, but I'm putting info in for those reading but not listening.

Mindy I don't know the contacts for R7 and 10 (they have rotating chairs!) can you help with this please? Thanks

I will use the same presentation for NTWC just changing the name on the front.

I'd appreciate any comments by COB Monday so I can revise Tuesday. Thanks, Kathy
