Yep, got it! And here's OP's little addition to footnote 2 on comments submitted to the docket for EO 13777. Thanks!

Hi Kathy,

I still didn't get the attachment. I'm working from home today too so very easily could have something weird going on from my end. Maybe wait and see if others didn't get it either? And I can add my footnote later.

Thanks! Shari

It has been brought to my attention, that pre-coffee is not when I should send e-mails as I neglect to attach said documents.

My apologies. Here is the document for today's call - very few updates, but they are here.

Morning everyone. I've added two additional pieces, they are highlighted or in blue. Sorry, I could not import additions in a color other than my red so I highlighted it.

We look forward to discussing the document per Pat's outline of the meeting. Thanks, Kathy
