Hi, folks – Cancelling this meeting, as there isn't much we need to discuss. The main two updates are:

- After seeking a green light from the R4 RA, we will probably send some recommended edits to the EPA-FDEP and Corps-FDEP MOAs to Florida, minus any new ESA language.
- The workgroup meeting with DOI/FWS to discuss ESA coordination approach/language is being postponed until next week due to availability of key FWS personnel.
- Florida's initiation of the second phase of rulemaking (internal & OFARR clearance, Notice of Proposed Rulemaking & comment period) has not been initiated yet; they are awaiting feedback from EPA on some third party questions raised. Proposed responses have been elevated.

Updated call-in: Ex. 6 Personal Privacy (PP) code Ex. 6 Personal Privacy (PP)

Topics/Agenda items will be provided in advance.
In general this meeting is to:
- provide internal updates on progress on Florida's efforts to assume a 404 program, and
- prepare for the subsequent (every other Tuesday afternoon) call with Florida FDEP.
