Hi Dave,

In the interest of keeping these final pieces rolling, attached are my edits to these final tribal docs the team sent our way. To help clarify what each is for:

1.
2. Ex. 5 Deliberative Process (DP)
3.

Admittedly, I do not quite understand the difference between 2 and 3, and if you don't also we ask for further explanation on the call tomorrow. Otherwise, rest assured, these are not more than 2-3 pages each. I know the team is looking to transmit the letters communicating the RTC as soon as possible, so wanted to flip these to you tonight so you have them first thing tomorrow. Please let me know if you have questions on my edits. Thanks,

Jess

Deliberative

Jess,

Just to ensure you see all correspondence, attached are copies of templates we will be using to provide the response to comments to the consulting Tribes. Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

We will also be crafting letters to FDEP and the SHPO transmitting the RTC – do you want to see them?

Thanks for all of your assistance.
Jeaneanne

Jeaneanne – Attached are clean copies of the letters to the Muscogee and Seminole Tribes that provide responses to comments received from the consulting parties. These letters will serve as templates for our responses to the other Tribes. Also I'm attaching a copy of our draft close-out letter to the Seminole Tribe, which is referenced in the letter transmitting our responses to comments. Please let me know if you have any questions or comments. Thanks, Tom
