Carrie and Steve,

Attached for your review is a revised draft of the Federal Register notice regarding ESA consultation on state 404 program approval, into which OWOW has incorporated edits from Alexis and myself. Could you please review this week? John would like to send to Dave by Friday, if possible.

Please let us know if you need more time and/or have comments or concerns. Thank you very much for your attention!

Hi all,

Attached is a clean version of the FRN that incorporates OGC and Mindy's comments to try and address Dave's request to summarize FDEP's white paper in the notice.

This version has all the inserts such as contact info, Docket number, etc that are required.

Mindy, Please forward to John for his review.

Simma and Alexis, please send this to Carrie and Steve for their review simultaneous with John's review. Once we have Steve, Carrie's and John's comments incorporated we can send this forward to Dave Ross for a final review.

Thanks,

Kathy
