I had some changes to the huddle paper to reflect today's Corps/FDEP call, what we learned from Simma on Tuesday regarding the 5-way MOA and the draft letter from Leopold to FDEP, and the status of the House Memorial (looks like it has "died in rules").

No major updates for the huddle this week that I could think of. I did, however, attempt to trim down the paper and managed to cut from 7 to 5 pages. Feel free to make edits, additional cuts, or replace things you feel should have been kept.
