Deliberative
All,

This is my attempt to combine a list of outstanding docs with the draft tick tock – there are things that I am unsure of relative to HQ FR that I have highlighted. I think it would be helpful to have one doc to work from and update. If you don't like this format – change it – otherwise please make any adjustments. Once it is in good shape, I will have Erica (my special assistant) share it because we don't want me responsible for that part of the process.
