On December 18, 2017, Stanislaus CAC's office received a complaint about a possible rodenticide exposure to a horse, resulting in death. The owner reported that the horse had sweating and twitching symptoms and died the afternoon of December 5, 2017. The owner reported that the horse was a 9-year-old female show horse (Warmblood Jumping Horse) and is valued at $25,000 to $30,000 dollars. Stanislaus CAC is continuing to investigate this case.
