Lisa, I would be happy to participate. My schedule is getting pretty busy for next week, and I am not available on Wednesday or Thursday, but I would have time on Tuesday AM, or all day on Friday.

Sincerely,

Good afternoon Mel and Shelly,

Thank you again for participating in the call last week on the City of Maquoketa's TBA application submitted to EPA. I have a much better understanding of the background of the TBA request. However, I would like to be sure that I have all my facts straight. Would you be willing to participate in a short, small meeting next

week? It would be just me and Kristen Nazar (EPA Counsel). Please let me know if I should reach out to someone else at IDNR.

I am hoping to solidify my understanding of the City's participation in IDNR's voluntary cleanup program.

Have a nice weekend,

Lisa Dunning
