My apologies! I went backward instead of forward with the time difference.

Will resend the invite.

Hi Natalie,

I have accepted your invite for the teleconference next Wednesday (8/19), but just realized that it is from 9am to 9:30am instead of from 1pm to 1:30pm as I stated below. Can you change it back to 1pm to 1:30pm?

Thanks,
Calvin

Dear Calvin,

Hope you are doing well. As a follow up to my voice mail message earlier this morning, I was hoping that we can set up a time early next week to discuss the status of the CES Class VI Permitting Application.

I understand that we currently are waiting to receive the Technical Review Letter; however, I would like to take the opportunity to discuss what actions can be implemented at this stage (and throughout the remainder of the permitting process) to avoid delays that will negatively impact this project.

If you can provide your availability, I can send out an invite tor a 30 minute conference call.

Please let me know if you have any questions.

Best regards,
Natalie
