Subject: Follow-up tech review comments for CES
Attachments: Enclosure 1 - Evaluation of CES Response (Site Characterization) 2-2-21.docx; Enclosure 2 - Evaluation of CES Responses (Emergency and Remedial Response Plan and Financial Responsibility) 2-2-21.docx; Enclosure 3 - Evaluation of CES Responses (Operating Conditions and AoR modeling) 2-2-21.docx; Enclosure 4 - Evaluation of CES Responses (Construction, Plugging, and Corrective Action Activities) 2-2-21.docx; Enclosure 5 - Evaluation of CES Responses (Testing and Montioring Plan) 2-2-21.docx

Hi David,

I have accepted all your redline changes, and Cadmus has checked each follow up question for clarify of timing and added notes about timing where necessary in the attached documents.

Please let me know if I can finalize these documents.

Thanks,
Calvin
