Hi – ICF sent us an updated table for registrants on Friday, but it didn't include the updates that came through late last week. I manually added them here and they will appear in the next report.

Thanks
Vicki

Hi Vicki,

Edits below and attached. To answer your questions.

1. Done!
2. Susan Borghoff emailed us after registration to change her comment sections. She is now ST1 and public comment.
3. New NAS person will be registered today.
4. Yes, we will register the new ExxonMobil person. Did you confirm if he will be in person?
5. Yes, we confirmed with Marcy that she's TBA public comment.

Thanks,
Susan

Hi Laura - thank you. Before I pass it through here though, I wanted to see about a few things:
1. Can you change/add the BaP general session about the dermal slope factor to be separate from the TBA on?
2. Wasn't Susan Berghoff one of the general commenters rather than ST2?
3. Did you add/register the new NAS person? I don't see her on the list.
4. Can you register the person sent by Exxon Mobile and have them also be on this list? TBA thyroid science topic.
5. Did you ever verify that Marcy was TBA? Did she want a specific ST?

Thanks so much! have a great trip.

Vicki
