Hi all – Quick update on IRIS SOT abstracts…

We started with 7 proposed abstracts in IRIS.
One of the those needed significant re-work and will not be submitted.

I cleared the remaining six of them (attached) at the Division level.
The PAH one was also cleared by Lynn via e-mail.
All were shared across Divisions *prior* to my clearing them.

These clean copies are attached for your records, as an FYI, and for you to pass on as needed.
Thanks!

Gina
