Highlights from BAP SAB meetin...

Hi all,

Let's get together and talk about some of the things we heard during the BaP peer review meeting that will affect the BaP assessment as well as the comments that will likely affect all IRIS assessments. Folks have mentioned they have or will be creating a list from their notes. If you have something, try to circulate it before the meeting, perhaps we can compile and walk through during the meeting.

If I've left anyone off, please feel free to forward.

Thanks,
Samantha
