Response from Seal Shield's attorney below. They have removed their webstore from service and appear to be taking steps to attempt to come into compliance.

This is to notify EPA that SealShield has received the SSURO as of June 30, 2021. Although EPA transmitted the SSURO on June 24, Andrew McCarthy was on vacation and had no access to the email until June 30. Immediately upon receipt, Mr. McCarthy had the SealShield webstore removed from service and instructed the web specialist to initiate the process of making all required changes set forth in the SSURO. In accordance with the cover letter to the SSURO, a timely and more formal response as to the specific changes being made will be forthcoming as soon as the work is completed, which is expected to be by Tuesday, July 6, following the holiday weekend.

Sincerely,

Ed Schwartz
