Join on Thursday, August 26, from noon until 1:15 pm EDT for a virtual tour of hemp production in the U.S.

IR-4 representatives and industry experts will provide a high-level overview of hemp, including the crop's history in the United States, pest management needs, methods of growing and harvesting, and various processing aspects. Experts will also be available to answer your questions.

Registration is required for this free event. Register by filling out this Google form. You will receive a confirmation email including the event Zoom link shortly after you register.

Note that it is permissible for EPA staff to join this Zoom webinar through your web browsers.

The event will be recorded and available on YouTube for anyone who cannot attend.

The POC for this event is Nancy Fitz, Fitz.Nancy@epa.gov. Feel free to reach out with questions.
