Subject: Lower Ley Creek - Local Disposal Follow up Call - Request to change the time of the May 7 call

I have been notified that the City of Syracuse representatives are unable to join our May 7 call at 10 am but they would be able to participate if the time was changed to 3:00 pm. Please let me know if that time on the 7th works for you. Also please let me know your availability for later that afternoon.

Thank you.
