Hi Nick,
I know you have lots going on—are you or someone on your staff able to review the CCUS statements by Friday (just two that I found). I think they're just looking for comments from us (wrt accuracy, etc.). Thanks

Pete,

Can you take this one?
I am working on 6 pagers and 3 or 4 talking point drafts.
Thanks

Yvonne and Pete –

CEQ has produced a draft report on CCUS, and OAP is primarily responsible for reviewing. But there are a couple things mentioned in the report that I'm hoping AQPD and SPPD can take a quick look at, which I've highlighted in the document.

Could you let me know if you have any comments by COB tomorrow?

Thanks!
Alice

Patrick and Michelle (and OAQPS as an FYI),

See the attached draft report from CEQ on CCUS. Your folks may have already seen this previously, but OCIR is sending around for comments/edits by Friday afternoon. If you think you will have comments, would it be possible to have them back early Friday morning so that we can send them through the IO?

Let me know if you have any questions,
Heather
