I have had some issues getting everyone together on our end. How does Tuesday October 12 at 9:30 EST or 1:00 EST sound? Monday the 11th looked like a really good possibility until I realized we are closed – we still close for Columbus Day.

Jonathan,

One of our key folks, Stephanie Durman, will be trial all next week, and it's very important to us that she be on the call, so can we shoot for the week after next?
