Thanks Maggie, Several high profile public meetings this week; so a bit overloaded. Also, note Avatar doesn't exist anymore, it was absorbed by Bluestone.

Any chance Weston START can provide some services? Weston is a sub to Bluestone, and basically has a dedicated person on site.

Dean,

Here are the actual responses plus a summary chart that I put together which gives you summary of COI information as well as team subcontractors for the vendors. Ex. 5 Deliberative Process (DP) Ex. 5 Deliberative Process (DP)

I have also indicated if the firms are large or small businesses.

Call me if you want to discuss, please keep this information close and do not share with others at this time.

I will contact Gary, this info will limit some of the USACE's short term additional ideas.
