Subject: Re: Pollution Report # (Initial)1 Nashville International Airport Gas Line - Initial POLREP

Only thing I see is the word "the" needs to be capitalized in the removal action to date section. Thanks.

Steve,

attached is a DRAFT Initial POLREP for your use. I am not submitting this to Tony. I am taking no further action without your request. I am loading the NOFI onto the website in the document section. Please advise with an ERNS update or demobe notice.

Thanks,

Rick

Attached is a Pollution Report (POLREP) regarding:

USEPA Region IV
Nashville International Airport Gas Line
1 Terminal Drive, Nashville, TN

To view this POLREP, please open the attachment.
