Good morning Jean!

My primary task for the week is to continue my review for two final EISs—Point Reyes National Seashore General Management Plan Amendment and East San Fernando Valley Transit Corridor Project. I had been reviewing the FEIS for the Fossil Creek Wild and Scenic River Comprehensive River Management Plan, but it was just withdrawn by the Forest Service.

Besides my team meetings, I have the All Hands Meeting on Reopening and the TIP Division Managers' Meeting on Tuesday morning, and the OPA Communications Meeting on Thursday morning. I also plan to participate in the first hour of the Working Effectively with Tribal Governments (WETG) training series on Wednesday morning.

I plan to work 7:00 to 4:30 or 7:30 to 5:00 each day.

Thank you,
Jason
