Subject: Comments on Formaldehyde Appendix D-- response to comments

Hi Bob,

Thank you for the opportunity to review and comment on the formaldehyde response to comments document. I commend Barbara and the team for this good first draft, as a thoughtful response to most issues has been given.

Please see the appended file with my specific comments and suggested edits. I hope these will be helpful to you in addressing the following general comments, should you agree with them:

Ex. 5 Deliberative Process (DP)
