Thanks, Sushila. I will also need to wrap up at 3pm today, so I suspect that we'll need to schedule a follow-up call to address any comments/questions in the redline that we don't get through today. I'll plan to set aside the last few minutes of the call to discuss a follow-up call and any other next steps.

Thanks again,
Devon

All, I reviewed the second redline attachment of the draft Decree.

A couple of notes:

1. I have a hard stop at 3 pm and wanted to provide an edit to paragraph 29 in case I miss that part of the case team's discussion.

2. In case you all decide to continue past 3 pm (we may need more than one hour) that is fine with me.

3. If we need more time, do we plan to continue discussions Monday 6/14?

4. Finally, the draft looks good to me.

5. I do have two suggested edits to subparagraph Ex. 5 Attorney Work Product (AWP)

Ex. 5 Attorney Work Product (AWP)

I hop

Hi Janna and Dawn,

I have attached an updated draft CD Modification for your review. You'll see two documents attached – one is a clean copy of the mod and the other is a redline against the CD that we originally filed. I would suggest looking at the redline document so you can see what's been modified.

The federal team has a call scheduled on Monday, 6/7, at 2pm, and we'd welcome PADEP to join us to discuss/run through comments then. I will circulate a calendar invite in a second.

Thanks,
Devon
