Hi all,

Thanks for a productive call this afternoon to walk through CRW's responses. I have attached the redline in which I was taking notes throughout the call. I highlighted any notes/questions/talking points from our discussion this afternoon in the comment bubbles. Please let me know if you have any questions.

For tomorrow, here is the agenda I plan to send to Fred. It's pretty detailed, but I think that can help us make the best use of our time tomorrow. Please let me know ASAP if you have any objections:

1. Welcome / Intros (10 minutes)

2. CRW CD Responses (90 minutes)

Ex. 5 AC/AWP/DP; 7A

3. Projects in Appendix B (45 minutes)

4. Next Steps (15 minutes)
    a. Next redline
    b. Next meeting

EPA team, I will follow up separately with the four exhibits that we discussed during today's call.

Thanks,
Devon
