Dear Wayne, Nina and Terry,

To support the agencies oversight/split sampling effort and as a curtesy of information sharing, attached you will find the Soil Data Package for Parcel G Phase 1 TU-101A SFU.

Please note FCR#5 included the collection of additional bias samples for the 13 RSY Pads agreed upon with the agencies, as well as, all future RSY Pads. The attached data package contains 1 bias sample result. This data package includes RSY Pad results prior to FCR#5 agreement. Therefore, additional bias samples will not be collected.

Please let me know if you have any questions.

Very Respectfully,

Liz Roddy
