Hi Mike and Sonam

We have prepared some preliminary slides to discuss tomorrow with our NOAA colleagues. These are taken largely from the paper that we shared with the participating agency senior leaders in the most recent meeting. These are intended to facilitate discussion tomorrow and obviously the slide and accompanying tp's need a fair bit of work before the 24th.

John C and I will be discussing these slide with Enrique at 4:30 – if you are available please join us.
Thanks
