Ha,….glad your feeling well, I hope it does the trick and last for at least a year or two.

Can't think of any specific memo off hand and I'm getting ready to hike down Dipsea to my son's baseball game. Any generic memo is fine.

We can talk tomorrow.

Best KO

Hi Keith,

Ex. 6 Personal Privacy (PP)

Do you have an EPA memo template (or a draft memo I could edit) in Word format that I could use for this?

Thanks,
Michael

Yes, and John told me he opened up an SSID for it this morning so I will start work on a SOW. For now continue to charge on the Multi-Site TO.

Thank you Keith!

I will review this in the am but in scanning it – great work!
Will be back in touch later in the week,
Thanks to you and the Toerek folks!
John

Afternoon John –

Ex. 5 Deliberative Process (DP)

After your review of Michael's email below **please advise if you would like us to proceed**. Note, the table with the deposition findings below is the same as I sent you yesterday, however it is cleaned up for readability.

Regards,

Keith

Enforcement Confidential

Hi John,

From our brief phone call late yesterday it sounded like you had a meeting with upper management (?) today so I thought I would share with you right away. I'm sure it all rings a bell to you.

Thanks for the call John, I have enough to go on now and we will talk next week after I look at the Operation History more closely, and see what, if anything I can corroborate from the Depos.

Keith

Thanks Keith!

There is not a SSID for this (at least yet).

And yes, bet to communicate with Andrew and cc Loren and me.
Thank you
John

Thanks John,

I'm on it. Got three (3) emails from you including the one below. Once I digest I'll get back with questions to either you or Andrew.

Should I report directly to Andrew with my preliminary findings/questions and copy Loren and yourself? I can remove you and Loren off the emails until I have a more formal assessment per our discussion this afternoon. I'll target a preliminary assessment to **start** and "perfect the narrative" by late next week.

What is the SSID and OU for this? I'll ask Anabel to load in my PPL.

Best,

Keith
