I don't have that in electronic format (it wasn't my chart). I have an excel spreadsheet with the facilities but it doesn't have the addresses and stuff. Sorry. Is there something specifically you are looking for.

Sorry to bother you again on this. I appreciate your sending the link and memo, but I did see and retrieve the memo itself on the SharePoint. I am interested in just the list of facilities, in a .doc or .xls format, so for my own tracking purposes I can add in the relevant congressional delegations.

Ex. 6 - Personal Privacy

I think that should work. It is on the main page, no tin a folder: here is that link is well:

Ex. 6 - Personal Privacy

Ex. 6 - Personal Privacy

If all else files, I'll attach it.

Katie, Marianne,

Hope your Friday is going well! I'm wondering if you could send along and/or post the SharePoint/OneDrive the list of facilities that was appended to Janet McCabe's memo. I couldn't find it up on the OneDrive, though it is possible it is there and I just wasn't looking in the right folder or something (sorry!). If you do have it, please send it along as it would be helpful for me for this potential roll-out with the memo and letter that just went over to the Gov. Brown.

Thanks,

Matthew
